Near-degenerate systems in nuclear structure & quantum chemistry

On behalf of the "Espace de Structure et de réactions Nucléaires Théorique" (ESNT) the workshop entitled:

"Near-degenerate systems in nuclear structure and quantum chemistry from ab-initio many-body methods" will be held in March 30th-April 2nd at CEA-Saclay, Orme-les-Merisiers site, B. 703, room 135. For details about the updated program, see the ESNT Web site <http://esnt.cea.fr> >> Ateliers 2015

For further information, please contact the local organizer of the project: T. Duguet (SPhN).
