Sir/Madam,

I am pleased to convey to you the Tentative Programme of the Opening Ceremony of the International Year of Light. Please note that this version of the Programme is not final, as there may be minor and last minute changes.

In order to facilitate the planning of your participation in this event, we have gathered all practical information in this link: <http://light2015.org/Home/Event-Programme/2015/Other/Opening-Ceremony/Practical-Information.html>

Please let me know if you need at further information at this moment.

Yours sincerely,

Raquel Mendes
Division of Science Policy and Capacity Building (SC/PCB)
International Basic Sciences Programme
